NOTICE: PLEASE KEEP THIS DOCUMENT

Applicants selected to participate in the PRIMO Student Loan Program should retain these policies and procedures as a reference guide to the program. The Policies and Procedures describe the PRIMO Student Loan Program authorized by Missouri Revised Statutes Chapter 191 Health and Welfare Section 191.411 and defined in 19 Missouri Code of State Regulations 10-4.010. Future changes in the governing statute, the implementing regulations, and Program guidelines may also be applicable to your participation in this Program.

Introduction

Program Background

In 1993, House Bill 564 was passed by the Missouri General Assembly and signed by the Governor. This comprehensive legislation addressed several important issues involving health care in the State of Missouri. A major component of this legislation (Section 191.411) requires the development and implementation of a plan to define a system of coordinated health care services available and accessible to all Missouri Citizens. Pursuant to this mandate, the Missouri Department of Health and Senior Services (DHSS) established the Primary Care Resource Initiative for Missouri (PRIMO). PRIMO was designed as coordinated incentives to increase the number of primary medical, dental, behavioral, and nutritional health care professionals and health care delivery systems in areas of need within the state. PRIMO has developed a pipeline approach that addresses the needs of students from high school through graduate school, and addresses the needs of communities to build clinics and services to assure the students have a place in their community to practice. Key to the success of these incentives is the identification, support and placement of those individuals most inclined to pursue primary medical, dental, behavioral, or nutritional health care specialties and to practice in DHSS-approved areas of defined need.

Student Loan Profile

The PRIMO Student Loan Program is a competitive State program that awards forgivable loans to students pursuing health care training leading to Missouri licensure or registration in one of the following fields:

- Primary Care Physician
- Dentist
- Dental Hygienist
- Psychiatrist
- Psychologist
- Licensed Clinical Social Worker
- Licensed Professional Counselor
- Dietitian/Nutritionist

In return, the student (also referred to as PRIMO Scholar) is required to fulfill their obligation by providing primary medical, dental, behavioral, or nutritional health care services in a DHSS-approved area of defined need upon completion of their training. The obligation is one (1) year of qualified employment for each school year they receive a loan, with a minimum 1-year obligation and a maximum 5-year commitment.

Students uncertain of a commitment to primary medical, dental, behavioral, or nutritional health care practice in a DHSS-approved area of defined need in Missouri or who are unable to relocate based on needs of the PRIMO Program are advised not to participate in this program. Students unsure about their future specialty interests are advised not to apply for this program.

To remain eligible for the PRIMO Student Loan Program, PRIMO Scholars are encouraged to meet the criteria as described in “PRIMO Scholar Expectations.”

DHSS-approved Area of Defined Need

A DHSS-approved area of defined need is a geographic area, facility, or a population group which has been determined by DHSS as experiencing a shortage of primary medical, dental, or behavioral health care providers or has inadequate access to health care providers. This includes those areas designated as Health Professional Shortage Areas (HPSA).

Primary Medical Health Care Services

Primary Medical Health Care Services are defined as the actual hands-on provision of direct outpatient based primary and preventive health care services by a licensed physician specializing in family practice, general practice, general internal medicine, general obstetrics/gynecology, or general pediatrics. These services must be conducted during normally scheduled clinic hours in an outpatient care setting. However, work settings and schedules in state and federal facilities may be significantly different than community-based systems of care. PRIMO Scholars interested in practicing at state and federal facilities need to discuss the details with DHSS.

Primary Dental Health Care Services

Primary Dental Health Care Services are defined as the actual hands-on provision of direct outpatient based primary dental and preventive health care services by a licensed general dentist or dental hygienist. These services must be conducted during normally scheduled clinic hours in an outpatient care setting. However, work settings and schedules in state and federal facilities may be significantly different than community-based systems of care. PRIMO Scholars interested in practicing at state and federal facilities need to discuss the details with DHSS.

Primary Behavioral Health Care Services

Primary Behavioral Health Care Services are defined as the actual hands-on provision of direct outpatient based primary behavioral health care services by a licensed psychiatrist, psychologist, licensed social worker, or licensed professional counselor. These services must be conducted during normally scheduled clinic hours in an outpatient care setting. However, work schedules in state and federal facilities may be significantly different than community-based systems of care. PRIMO Scholars interested in practicing at state and federal facilities need to discuss the details with DHSS.

Primary Nutritional Health Care Services

Nutritional Health Care Services are defined as the actual hands-on provision of direct nutritional health care services by a nutritionist or licensed dietitian. These services must be coordinated through the direction of a Missouri Local Public Health Agency (LPHA).

Applicant Eligibility

Applicants must meet the following requirements in order to be eligible for PRIMO.

Missouri Resident

To be eligible, the applicant must be a Missouri resident attending a Missouri educational institution. Missouri residents are those who have lived in this state for more than one year for any purpose other than to attend an educational institution.

Course of Study

To be eligible, applicants must have been accepted by or be currently attending a school offering a course of study leading to a degree as:

- A Doctor of Allopathic (MD) or Osteopathic Medicine (DO)
- In the case of a primary medical health care resident, the residency program must be in the field of Family Practice, Internal Medicine, Obstetrics/Gynecology, Pediatrics, or Psychiatry.
- A Doctor of Dentistry (D.D.S.)

OR

Applicants must be accepted by and participating in a full time course of study in a Bachelor of Science (B.S.) or Bachelor of Arts (B.A.) degree leading to acceptance into a school of medicine or dentistry.

OR

Applicants must be accepted by and participating in a full time course of study leading to a Bachelor of Science (B.S.) or Bachelor of Arts (B.A.) or Associate of Arts (A.A.) or Associates of Science (A.S.) degree in dental hygiene.

OR

Applicants must be accepted by and participating in a full time course of study leading to a Masters or Doctoral Level degree in Psychology, Clinical Social Work, Professional Counseling, Nutrition, or Dietetics.

Full Time Enrollment

To be eligible, applicants must be enrolled as full-time students.

Participating Schools and Programs Located in Missouri

The schools and educational programs for which PRIMO support is requested must be in the State of Missouri. Participating schools and programs means an institution in **Missouri** which grants degrees as follows:

- Doctor of allopathic or osteopathic medicine,

- In the case of a primary medical health care resident, the residency program must lead to specialty board eligibility in Family Practice, Internal Medicine, Obstetrics/Gynecology, Pediatrics, or Psychiatry.
- Doctor of Dentistry,
- Bachelor of Science (B.S.) or Bachelor of Arts (B.A.) in a field leading to acceptance into a school of allopathic or osteopathic medicine,
- Bachelor of Science (B.S.) or Bachelor of Arts (B.A.) in a field leading to acceptance into a school of dentistry,
- Bachelor of Science (B.S.) or Associates in Arts (A.A.) Degree in Dental Hygiene,
- Masters or Doctoral Degree in Psychology,
- Masters Degree in Clinical Social Work,
- Masters Degree in Professional Counseling,
- Masters Degree in Nutrition, or
- Masters Degree in Dietetics.

No Conflicting Obligations

Applicants who are already obligated to a Federal, State, or other entity for professional practice or service after academic training, with the exception of the National Guard or Military Reserves, are not eligible for PRIMO Student Loans.

Application Process for New PRIMO Applicants

In order to be eligible for PRIMO Student Loans the following documentation must be post-marked via hard copy by DHSS between January 1; and midnight, June 30 of every calendar year.

Completed Application

Please be advised all applications must be completed and post-marked before midnight, June 30 of each calendar year. Incomplete applications will not be processed and the applicant will not be considered for funding through PRIMO. Application can be viewed on pages 36 and 37 in this document or can be downloaded from website at:

<http://www.dhss.mo.gov/PRIMO/Appl.html>.

Submission of Supporting Documentation

All supporting documentation must be submitted via hard copy and post-marked before midnight, June 30 of each calendar year. Supporting documentation includes the following items:

- Proof of Missouri residency. A copy of one of the following examples of proof of Missouri residency will suffice: Current Missouri Drivers License, Current State of Missouri Identification Card, or current Missouri Voter's Registration.
- All students must include a copy of their last semester's grade point average.
- A narrative and/or documentation explaining extenuating circumstances regarding financial situation.
- Applicants must submit a biographical statement. Biographical statements must be typed, dated and signed, and at minimum include the following:
 - Why do you want to be a PRIMO Scholar?
 - Student or work experience with medically underserved populations (examples: community health centers, public health departments, community/volunteer service, shadowing, etc.). Statement should include:
 - Location
 - Start and end dates for each experience
 - Number of hours spent on each experience
 - Brief description of the experience
 - Knowledge, skills, or abilities gained from the experience.
 - What are your long-term professional plans after fulfilling your PRIMO obligation?
- All PRIMO AHEC Career Enhancement Scholars (ACES) and ACES+ participants must submit a Letter of Recommendation from their Regional AHEC Office.

Selection Criteria and Funding Priorities for New PRIMO Applicants

The PRIMO Student Loan Program is very competitive. PRIMO anticipates more applicants for funding than available funds. Due to the competitiveness of the PRIMO Student Loan Program, students are advised to apply for other funding sources. This section describes the factors that are considered in approving applications for participation in the PRIMO Student Loan Program.

Selection Criteria

The PRIMO Student Loan Program considers all correctly submitted applications with supporting documentation that demonstrate a commitment to serve and express a strong interest in providing primary medical, dental, behavioral, or nutritional health care to the medically underserved in DHSS-approved areas of defined need in Missouri. Please remember not all completed applications with supporting documentation will receive a student loan due to limited funding.

Funding Priorities and Preferences

Applicants who demonstrate a high potential for providing primary medical, dental, behavioral, or nutritional health care services to the medically underserved in areas of defined need in Missouri are competitively evaluated. The following priorities and preferences are applied:

- Priority and preference is given to previously participating PRIMO Student Loan recipients (PRIMO Scholars) and applicants with a history of participating in PRIMO encouraged programs, such as the PRIMO ACES/ACES + Program.
- Priority and preference is given to minority students of underrepresented ethnic/racial groups. Underrepresented means racial and ethnic populations that are under-represented in the designated health profession discipline relative to the number of individuals who are members of the population involved.
- Priority and preference is given to students that have an existing relationship with a community-based health care organization such as a FQHC or LPHA and have a letter of recommendation from the administrator of the organization.
- Priority and preference is given to students from DHSS-approved areas of defined need.

PRIMO Scholar Interviews

PRIMO Scholar Interviews are conducted by DHSS. PRIMO applicant interviewees are given details on location and date of PRIMO Scholar interviews as they are made available.

Notification of Selection of New PRIMO Scholars

Individuals selected for PRIMO Student Loans are notified via letter and contract as early as September of each calendar year. If the individual does not respond to the PRIMO Student Loan Program by the deadline, the contract may expire and may be offered to an alternate individual.

Before signing a PRIMO Contract, applicants should review the entire Policies and Procedures Manual and the contract to ensure a complete understanding of the obligation to serve full-time in a DHSS-approved area of defined need, and the financial consequences of failing to fulfill that obligation.

Notification of Alternate Status

Individuals selected as alternates are notified via letter and contract as early as September of each calendar year.

Notification of Non-Selection

Individuals whose applications did not fall within the competitive range to be considered by the PRIMO Student Loan Program or alternate are notified no later than October of each calendar year.

PRIMO Student Loan Financial Information

Method of Payment

Direct Deposit is mandatory. All PRIMO Student Loan payments are paid directly to the student's financial institution through direct deposit. The Vendor ACH/EFT and Vendor Input form will be included with the letter and contract. These forms will be sent on a yearly basis with the contract to update any pertinent information and must be returned with the contract.

Taxation of PRIMO Student Loans

PRIMO does not withhold taxes from loan payments; therefore, tax reporting documents will not be issued to participants or to the Internal Revenue Service (IRS). Since the laws for federal and state income taxes vary from year to year, please consult your tax preparer or tax advisor to verify the taxability of PRIMO Student Loans.

Interest on PRIMO Student Loans

Interest accrues at the rate of 9.5% per year from the date of loan disbursement.

Maximum Loan Amounts

Primary Medical Health Care

- Undergraduate pre-medical students are eligible for a maximum of four (4) loans, up to \$5,000 per academic year.
- Medical school (Allopathic and Osteopathic) students are eligible for a maximum of four (4) loans, based on the amount of tuition, not to exceed \$20,000 per academic year.
 - Students in six (6) year medical programs may receive \$10,000 annually for the first 2 academic years and \$20,000 annually for the remaining 4 academic years.
- Primary medical health care residents are eligible for a maximum of three (3) loans, up to \$10,000 per academic year. Provided the residency is within the state of Missouri. Out-of-State residency programs are not eligible for PRIMO Student Loans.

Primary Dental Health Care

- Undergraduate pre-dental students are eligible for a maximum of four (4) loans, up to \$5,000 per academic year.
- Undergraduate dental hygiene students are eligible for a maximum of four (4) loans, up to \$5,000 per academic year.
- Primary dental health care students are eligible for a maximum of four (4) loans, based on the amount of tuition, not to exceed \$20,000 per academic year.

Primary Behavioral Health Care

- Psychiatry students meet the qualifications for physicians. (Please see above maximum loan amounts for “Primary Medical Health Care”).
- Graduate psychology students are eligible for a maximum of two (2) loans, based on the amount of tuition, not to exceed \$20,000 per academic year.
- Graduate clinical social work students are eligible for a maximum of two (2) loans, up to \$5,000 per academic year.
- Graduate professional counseling students are eligible for a maximum of two (2) loans, up to \$5,000 per academic year.

Primary Nutritional Health Care

- Graduate nutrition students are eligible for a maximum of two (2) loans, up to \$5,000 per academic year.
- Graduate dietetics students are eligible for a maximum of two (2) loans, up to \$5,000 per academic year.

Re-Application Process for PRIMO Scholars

For current PRIMO Scholars, in order to re-apply for continued PRIMO Student Loan support while in school/professional training, PRIMO Scholars are expected to comply with the following criteria on a yearly basis. Failure to comply and fulfill the below expectations each year may disqualify the PRIMO Scholar from receiving future PRIMO Student Loan support.

On a yearly basis, **all** PRIMO Scholars are encouraged to:

1. Submit PRIMO Renewal Packet to DHSS no later than May 31.
2. Contact their regional AHEC Office to discuss career goal intentions and determine what participation involvement is expected. A list of all MAHEC regional and program offices can be viewed on pages 33 & 34.
3. Review the following expectations as they pertain to their status.

Undergraduate Student Expectations

On a yearly basis, PRIMO Scholars in undergraduate school are encouraged to:

1. Complete at least one-half of job shadowing requirements in a Missouri Federally Qualified Health Center (FQHC) or DHSS-approved site.
2. Complete community service in a DHSS-approved Missouri area of defined need and with the medically underserved population.
3. Complete a 160-hour internship at a Missouri FQHC or DHSS-approved site at least once during undergraduate school.

Graduate Student Expectations

On a yearly basis, PRIMO Scholars in graduate school (psychology, clinical social work, professional counseling, nutrition, or dietetics) are encouraged to:

1. Complete at least one-half of job rotations or placements requirements in a Missouri Federally Qualified Health Center (FQHC) or DHSS-approved site.
2. Complete community service in a DHSS-approved Missouri area of defined need and with the medically-underserved population.
3. Complete a 160-hour internship at a Missouri FQHC or DHSS-approved site at least once during graduate school.
4. Contact a representative of the Missouri PRIMO Placement Services Program to discuss placement needs and opportunities.

Professional Training (Medical School or Dental School) Expectations

On a yearly basis, PRIMO Scholars in professional training (medical school or dental school) are encouraged to:

1. Complete a rotation at a Missouri Federally Qualified Health Center (FQHC) or DHSS-approved site at least once during professional training.
2. Contact a representative of the Missouri PRIMO Placement Services Program to discuss placement needs and opportunities at least once during professional training.

Post-Degree Advanced (Residency) Training Expectations

On a yearly basis, PRIMO Scholars in Missouri post-degree advanced (residency) training programs are encouraged to:

1. **Complete** a rotation at a Missouri Federally Qualified Health Center (FQHC) or DHSS-approved site at least once during post-degree advanced training.
2. Contact a representative of the Missouri PRIMO Placement Services Program to discuss placement needs and opportunities.

Out of State Post-Degree Advanced (Residency) Training Expectations

On a yearly basis, PRIMO Scholars in out-of-state post-degree advanced (residency) training programs should:

1. Submit current status information to the PRIMO Program as soon out of state residency is determined.
2. Consider completing a rotation at a Missouri Federally Qualified Health Center (FQHC) or DHSS-approved site.
3. Contact a representative of the Missouri PRIMO Placement Services Program to discuss placement needs and opportunities.

Fulfilling the PRIMO Student Loan Obligation

PRIMO Scholars incur one (1) year of obligation for each year they receive PRIMO Student Loan support, with a minimum one (1)-year and a maximum five (5)-year obligation. PRIMO Scholars are obligated to provide full-time clinical primary medical, dental, behavioral, or nutritional health care services in a DHSS-approved area of defined need in Missouri. Obligation begins no later than six (6) months following the completion date of training.

Prior to completion of training all PRIMO Scholars must consult a representative of the Missouri PRIMO Placement Services Program regarding available opportunities in Missouri. Please contact the PRIMO Student Loan Program for further information and details as to how to contact a representative of the Missouri PRIMO Placement Services Program.

PRIMO Scholars that fulfill their obligation are considered to be in Forgiveness status.

Full-Time

Every PRIMO Scholar is required to engage in the full-time clinical practice of the profession for which he or she was awarded PRIMO Student Loan support.

A full-time clinical practice is defined as a minimum of 30 hours per week. The 30 hours per week may be compressed into no less than 4 days per week, with no more than 12 hours of work to be performed in any 24-hour period. Time spent in 'on-call' status will not count toward the 30-hour week.

Full-Time Clinical Practice

A full-time outpatient clinical practice for each PRIMO Student Loan discipline is defined below.

Primary Medical Health Care Services

For all primary medical health care physicians, at least 30 hours per week must be spent providing direct outpatient care. These services will be conducted during normally scheduled clinic hours in an outpatient care setting. The remaining hours must be spent providing inpatient care to patients of that clinic (as necessary to meet the needs of the patients and to assure continuity of care) and/or in practice-related administrative activities.

Please note: Work settings and schedules in state and federal facilities may be significantly different than community-based systems of care. PRIMO Scholars interested in practicing at state and federal facilities need to discuss the details with DHSS.

Primary Dental Health Care Services

For all primary dental health care professionals (dentists and dental hygienist) at least 30 hours per week must be spent providing direct outpatient care. These services will be conducted during normally scheduled clinic hours in an outpatient care setting.

Please note: Work settings and schedules in state and federal facilities may be significantly different than community-based systems of care. PRIMO Scholars interested in practicing at state and federal facilities need to discuss the details with DHSS.

Primary Behavioral Health Care Services

For all primary behavioral health care professionals (psychologists, licensed clinical social workers, and licensed professional counselors) at least 30 hours per week must be spent providing direct outpatient care. These services will be conducted during normally scheduled clinic hours in an outpatient care setting.

Please note: Work settings and schedules in state and federal facilities may be significantly different than community-based systems of care. PRIMO Scholars interested in practicing at state and federal facilities need to discuss the details with DHSS.

Primary Nutritional Health Care Services

For all nutritional health care professionals (nutritionists and registered dietitians) at least 30 hours per week must be spent providing direct nutritional health care services through coordination and direction from a Missouri Local Public Health Agency (LPHA). These services will be conducted during normally scheduled clinic hours in an outpatient care setting. The remaining hours must be spent in practice-related administrative activities.

Forgiveness

The exact start date of any obligation period is dependent upon the PRIMO scholar's program completion date. DHSS staff is able to determine the exact start date for each scholar. PRIMO Scholars repay their obligation by working in a DHSS-approved area of defined need. PRIMO Scholars may select where to work as long as it meets the PRIMO Student Loan qualifications and expectations.

The number of PRIMO Student Loans received determines the number of years needed to repay the obligation through forgiveness. Forgiveness of PRIMO Student Loan funding for less than five years is on a year-for-year basis. For instance, if a PRIMO Scholar accepts 3 loans, then the obligation period is 3 years. Those PRIMO Scholars receiving funding for five (5) years or more, forgiveness is earned at the rate of 20% per year (5 years). PRIMO Scholars must work full-time in order to earn forgiveness. Full-time is defined as providing primary medical, dental, behavioral, or nutritional health care services (direct patient care) in an outpatient setting a minimum of 30 hours per week at a DHSS-approved defined area of need.

PRIMO Scholar Pre-Employment Process

Prior to completion of professional training and accepting an offer of employment all PRIMO Scholars should contact DHSS staff to clarify the terms and conditions of their PRIMO Student Loan obligation. Examples of information and clarification may include:

- Approval of employment, including copy of employment contract
- Obligation begin and end dates
 - Forgiveness
 - Default/Cash Repayment Schedule and Payment Amounts

- Submission of Forgiveness Verification Forms every 6 months
- How to become a PRIMO Preceptor
- PRIMO Student Loan Program feedback and evaluation

Forgiveness: Primary Medical Health Care

Effective 2007: PRIMO Scholars who receive their first student loans in 2007 and later must comply with the following in order to earn forgiveness of their PRIMO Student Loans:

1. Work in a DHSS-approved area of defined need to earn forgiveness for their loans;
2. Utilize and publicly post a sliding-fee schedule in their practice. Please see Exhibit 2 for further information regarding how to develop a sliding-fee schedule;
3. Accept Medicaid and MC+ patients in their practice; and
4. Submit annually an aggregate payer source report that demonstrates they serve medically underserved populations.

Forgiveness: Primary Dental Health Care

Primary Dental Health PRIMO scholars must comply with the following in order to earn forgiveness of their PRIMO Student Loans:

1. Work in a DHSS-approved area of defined need to earn forgiveness for their loans;
2. Utilize and publicly post a sliding-fee schedule in their practice. Please see Exhibit 2 for further information regarding how to develop a sliding-fee schedule;
3. Accept Medicaid (MO HealthNet) and MC+ patients in their practice; and
4. Submit annually an aggregate payer source report that demonstrates they serve medically underserved populations.

Forgiveness: Primary Behavioral Health Care

Primary Behavioral Health Care PRIMO scholars must comply with the following in order to earn forgiveness of their PRIMO Student Loans:

1. Work in a DHSS-approved area of defined need to earn forgiveness for their loans;
2. Utilize and publicly post a sliding-fee schedule in their practice. Please see Exhibit 2 for further information regarding how to develop a sliding-fee schedule;
3. Accept Medicaid (MO HealthNet) and MC+ patients in their practice; and
4. Submit annually an aggregate payer source report that demonstrates they serve medically underserved populations.

Forgiveness: Primary Nutritional Health Care

Nutritionist and registered dietitian PRIMO Scholars must comply with the following in order to earn forgiveness of their PRIMO Student Loans:

1. Work for a Local Public Health Agency (LPHA) **or** for an employer that receives direction and coordination through the LPHA;
2. Utilize and publicly post a sliding-fee schedule. Please see Exhibit 2 for further information regarding how to develop a sliding-fee schedule;
3. Accept Medicaid (MO HealthNet) and MC+ patients; and
4. Submit annually an aggregate payer source report that demonstrates they serve medically underserved populations.

Verifying Forgiveness Compliance

Every PRIMO Scholar in Forgiveness must complete and submit a Health Professional Loan Recipient Survey Form (Exhibit 3) for each six months of service. The form, which is signed by the PRIMO Scholar and the PRIMO Scholar's supervisor, will verify the compliance/non-compliance with the full-time outpatient clinical practice requirements during that six-month period. Failure to submit six month verification forms may jeopardize PRIMO Scholars from being granted forgiveness of their obligation.

Please note: PRIMO Scholars are eligible for repayment of outstanding educational debt through the State of Missouri Health Professional Loan Repayment Program and the National Health Service Corp (NHSC) Loan Repayment Program **after** they have completed their PRIMO Student Loan obligation.

PRIMO Student Loan Deferment

Deferment is the temporary postponement of fulfilling the PRIMO Student Loan Program obligation due to extenuating circumstances. Upon written request from the PRIMO Scholar, DHSS may grant a deferral of repayment of principal and interest when the deferral is determined to be in the best interest of the PRIMO Student Loan Program and the state of Missouri. However, during deferment interest accrues at the rate of 9.5% annually.

Requests for Deferment

All requests for deferral must be submitted in writing and when necessary include full medical and financial documentation. DHSS reviews all deferral requests on a case by case basis.

Approval of Deferment

All requests for deferral are approved by DHSS on a case-by-case basis. Deferments will **not be approved** for non-primary health care programs (e.g. emergency medicine, surgery, radiology, neurology, anesthesiology, oral surgery, endodontics, etc.) or programs which the PRIMO Student Loan Program determines are not consistent with the needs of PRIMO to enhance access to primary medical, dental, behavioral, or nutritional health care services in DHSS-approved areas of defined need in Missouri. Please see “Defaulting on PRIMO Student Loan Obligation” for further detail.

PRIMO Scholars who are unsure about their future specialty interests or who are unable to commit themselves to primary care specialties are advised **not** to continue participating in the PRIMO Student Loan Program.

Verifying Deferment Compliance

Every PRIMO Scholar in Deferment must submit Health Professional Loan Recipient Survey once every six months to verify compliance of their deferral.

Out-Of-State Residency Programs

Upon written request from the PRIMO Scholar, DHSS will grant a deferment to complete out-of-state post-degree advanced training (including an internship or residency) if the PRIMO Student Loan Program determines the training is consistent with the needs of PRIMO to enhance access to primary health care services in areas of defined need in Missouri. During out-of-state residency training, PRIMO Scholars do not receive PRIMO support.

Defaulting On PRIMO Student Loan Obligation

Failure to Complete Academic Training

PRIMO Scholars who are dismissed from school for academic or disciplinary reasons, or who voluntarily terminate academic training before graduation from the educational program for which PRIMO Student Loan support was awarded, will be declared in default of their PRIMO Student Loan commitment and held liable to the State of Missouri for repayment of all PRIMO Student Loan funds paid plus interest. All funds received by PRIMO Scholars accrue interest at the rate of 9.5% annually. Cash Repayment begins the first day of the calendar month following the month the PRIMO Scholar is found to be in default. For instance, if a PRIMO Scholar is found to be in default during the month of July, Cash Repayment would begin in the month of August. Cash Repayment periods are a maximum of 60 months (5 years) unless otherwise approved by DHSS.

Failure to Complete Obligation or Failure to Meet Terms of Deferment

PRIMO Scholars who, for any reason, fail to complete their obligation or meet the terms of deferment will be declared in default of their PRIMO Student Loan. When PRIMO Scholars default on their obligation, they are held liable to the State of Missouri for repayment of PRIMO funds paid plus interest. All funds received by PRIMO Scholars accrue interest at the rate of 9.5% annually. Cash Repayment begins the first day of the calendar month following the month the PRIMO Scholar is found to be in default. For instance, if a PRIMO Scholar is found to be in default during the month of July, Cash Repayment would begin in the month of August. Cash Repayment periods are a maximum of 60 months (5 years).

Default Debt

If the default debt is not paid within 60 months (5 years), and subsequent collections are unsuccessful, the PRIMO Scholar will be referred to DHSS Office of General Counsel and the Missouri Attorney General's Office for enforced collection. Recovery through Wage Garnishment may be enforced to repay the default debt. The State of Missouri may also offset State Income Tax refunds and apply those payments to repay the default debt.

Waiver or Cancellation of PRIMO Obligation

DHSS may cancel, or waive (in whole or part) a PRIMO obligation. PRIMO Scholars seeking a cancellation or waiver of the obligation must submit a written request stating the underlying circumstances to DHSS PRIMO Program.

A waiver is a permanent status and may be granted if the PRIMO Scholar documents a permanent situation that makes compliance with the obligation impossible or an extreme hardship, such that enforcement would be against good conscience. Compliance would be considered 'impossible' if the PRIMO Scholar suffers from a documented physical or behavioral disability resulting in his/her inability to fulfill the obligation. All requests for a waiver are subject to DHSS approval and must be submitted in writing and include full medical and financial documentation.

To determine an 'extreme hardship' and be against 'good conscience,' DHSS will consider: (1) the PRIMO Scholar's present financial resources and obligations; (2) the PRIMO Scholar's

estimated future financial resources and obligations; and (3) the extent of which the PRIMO Scholar has problems of a personal nature, such as physical or behavioral disability, which so intrudes on the PRIMO Scholar's present and future ability to fulfill the obligation.

In the unfortunate event of a PRIMO Scholar's death, any obligation is cancelled.

Changing Jobs

The PRIMO Student Loan Contract does not specify a particular employer. Once qualifying employment is established, it is the PRIMO Scholar's responsibility to notify DHSS of any potential changes of employment. Transfer of Forgiveness to another employment site must be approved by DHSS in advance and will only be granted in limited circumstances. Should PRIMO Scholars be unable to fulfill their obligation with the approved employer, they must notify DHSS **immediately, in writing and via telephone**. PRIMO Scholars should not leave their employer without the prior written approval of DHSS. If the PRIMO Scholar leaves their employer without advance approval from DHSS he or she may be placed in default.

Qualifying employment assistance is available for PRIMO Scholars through Missouri PRIMO Placement Services (MHPPS). Please contact DHSS for further information regarding MHPPS.

PRIMO Glossary Terms

| | |
|---|---|
| ACES (AHEC Career Enhancement Scholars) | ACES is coordinated through regional AHEC offices and provides academic enrichment and health exploration activities as well as local professional shadowing opportunities. This program begins with <u>students in grades 9-12</u> who display a strong interest in pursuing a career in primary care. |
| ACES + (AHEC Career Enhancement Scholars Plus) | ACES + is a resource coordinated through regional AHEC offices and is a second stage of programming and career preparation for <u>undergraduate college students</u> who are pursuing a career in primary care. The program is focused on students interested in and capable of succeeding in the increasingly competitive health professions environment. |
| ACH/EFT Form | PRIMO Scholars must complete the ACH/EFT Form to assure accurate direct deposit of their PRIMO Student Loan. |
| AHEC (Area Health Education Center) | AHECs enhance access to quality health care, particularly primary and preventive care, by improving the supply and distribution of health professionals throughout the entire state by creating partnerships, amplifying resources, and helping to educate communities on the need to proactively recruit, train, and retain healthcare personnel. |
| Approved Area of Defined Need | A DHSS-approved area of defined need is a geographic area, facility, or a population group which has been determined by DHSS as experiencing a shortage of primary medical, dental, or mental health care providers or has inadequate access to health care providers. This includes those areas designated as Health Professional Shortage Areas (HPSA). |
| Cancellation/Waiver | Under certain circumstances the PRIMO Student Loan obligation may be cancelled (in whole or part). Contact DHSS PRIMO staff for further details. |
| Cash Repayment | PRIMO Scholars, who for any reason, fail to complete their obligation, are declared in default of their PRIMO Student Loan. When PRIMO Scholars default on their obligation, they are held liable to the State of Missouri for repayment of PRIMO funds paid plus |

interest. All funds received by PRIMO Scholars accrue interest at the rate of 9.5% annually. Cash Repayment begins the first day of the calendar month following the month the PRIMO Scholar is found to be in default. Cash Repayment periods are a maximum of 60 months (5 years).

Default

PRIMO Scholars who, for any reason, fail to complete their obligation they are declared in default of their PRIMO Student Loan. If the default debt is not paid within 60 months (5 years), and subsequent collections are unsuccessful, the PRIMO Scholar may be referred to DHSS Office of General Counsel and the Missouri Attorney General's Office for enforced collection. Recovery through Wage Garnishment may be enforced to repay the default debt. The State of Missouri may also offset State Income Tax refunds and apply those payments to repay the default debt.

Deferment

Deferment is the temporary postponement of fulfilling the PRIMO Student Loan obligation due to extenuating circumstances. All requests for a deferral will be reviewed and approved by DHSS on a case-by-case basis.

Dental Hygienist

A dental hygienist is a licensed dental professional who specializes in preventive dental care, typically, but not limited to, focusing on techniques in oral hygiene. Missouri dental regulations determine the duties hygienists are able to perform.

Dentists

Doctor of Dental Surgery (D.D.S.) is an academic degree offered in the United States. It is a graduate-level professional degree for dentists. D.D.S.s are trained in dentistry techniques. Licensing is required to practice as a D.D.S. in the state of Missouri. Licensure requires passing written and practical examinations in addition to having a degree from an accredited dental school.

DHSS

Missouri Department of Health and Senior Services

Dietitian

Registered Dietitian "Registered Dietitian/Licensed Dietitian"-a person who: (a) Has completed a minimum of a baccalaureate degree granted by a United States regionally accredited college or university or foreign equivalent; (b) Completed the

academic requirements of a didactic program in dietetics, as approved by CADE (Commission on Accreditation for Dietetics Education); (c) Successfully completed the registration examination for dietitians; and (d) Accrued seventy-five hours of approved continuing professional units every five years, as determined by the committee on dietetic registration; and, is licensed in the state of Missouri to engage in the practice of dietetics or medical nutrition therapy.

Doctor of Allopathic Medicine

Doctor of Allopathic Medicine (M.D.) is an academic degree offered in the United States. It is a graduate-level first professional degree for physicians. Holders of the M.D. degree are known as allopathic medical physicians. M.D.s are trained in allopathic medicine techniques. Licensing is required to practice as a M.D. in the state of Missouri. Licensure requires passing written and practical examinations in addition to having a degree from an accredited allopathic medical school.

Doctor of Osteopathic Medicine

Doctor of Osteopathic Medicine (D.O.) is an academic degree offered in the United States. It is a graduate-level first professional degree for physicians. Holders of the D.O. degree are known as osteopathic medical physicians. D.O.s are trained in osteopathic manipulative medicine techniques. Licensing is required to practice as a D.O. in the state of Missouri. Licensure requires passing written and practical examinations in addition to having a degree from an accredited osteopathic medical school.

Facilities (State and Federal)

State and Federal facilities may include public health centers, hospitals, Veterans Administration facilities or correctional institutions.

Forgiveness

PRIMO Scholars that fulfill their obligation are considered to be in Forgiveness status.

FQHC

Federally Qualified Health Centers are local, non-profit community-owned health care providers. They provide high-quality, affordable primary care and preventive services to all persons, regardless of income or insurance status. They bill Medicare, Medicaid, Commercial / Private Insurers, and provide

| | |
|--|--|
| | a sliding fee scale. FQHCs are located in or serve federally-designated, medically-underserved areas and/or populations. All FQHCs operate under a consumer Board of Directors. |
| Full-Time | A full-time clinical practice is defined as a minimum of 30 hours per week. The 30 hours per week may be compressed into no less than 4 days per week, with no more than 12 hours of work to be performed in any 24-hour period. Time spent in 'on-call' status will not count toward the 30-hour week. |
| Health Professional Loan Recipient Survey | PRIMO Scholars shall submit to the department verification of their school, residency or employment status, current address, anticipated completion date, and preferred practice site. |
| HPSA | Health Professional Shortage Areas are designated by the U.S. Department of Health and Human Services Health Resources Service Administration as having shortages of primary medical care, dental or mental health providers and may be geographic (a county or service area), demographic (low income population) or institutional (comprehensive health center, federally qualified health center or other public facility). |
| ICP | Individual Career Plans are created for all ACES and ACES+ participants to assure the necessary health professional academic goals are achieved. |
| Licensed Clinical Social Worker | A bachelor's degree in social work is the minimum requirement for entry into the occupation however; an advanced degree has become the standard for many positions. A master's degree in social work (MSW) is typically required for positions in health settings and is required for clinical work as well. Missouri has licensing, certification, or registration requirements regarding social work practice and the use of the professional title. Missouri requires two years (3,000 hours) of supervised clinical experience for licensure of clinical social workers. |
| Licensed Professional Counselor | Missouri Licensed Professional Counselors have earned either a Master's or Doctorate degree in counseling, marriage and family therapy, psychology |

or related discipline according to the requirements of Missouri state statutes. They have passed a national licensing examination as well as completed a minimum of two years supervised experience, consisting of 3,000 hours of clinical counseling experience including 200 supervised hours. LPCs are qualified and licensed to work with individuals, couples and/or families in counseling, including administering and profiling psychological, personality, and family assessments within the boundaries of his/her competence, based upon education, training, and experience.

MHPPS

Missouri PRIMO Professional Placement Services is collaboration between the Missouri Primary Care Association and the Missouri Department of Health and Senior Services. MHPPS recruits providers in all specialties of medicine, oral health and mental health for Missouri. Rural and urban healthcare facilities located in Health Professions Shortage Areas are also eligible for recruitment services. MHPPS includes maintaining a database of providers interested in practicing in Missouri. MHPPS works with healthcare facilities, communities, private practices, community health centers, etc., and identify provider interests with available practice opportunities.

MPCA

Missouri Primary Care Association is a nonprofit corporation founded in November 1984 as an alliance of Community and Migrant Health Centers. MPCA functions as an advocacy voice for the medically indigent, and explores and implements activities aimed at providing and promoting high quality, accessible, and personalized health care services to urban and rural populations (regardless of ability to pay) in the state of Missouri.

NHSC

National Health Service Corps is part of the Department of Health and Human Services' Health Resources and Services Administration. The NHSC is committed to improving the health of the Nation's underserved. NHSC coordinates the NHSC Scholars Program and the NHSC Loan Repayment Program.

Nutritionist

Nutritionist is an individual with at least 15 hours of

| | |
|-------------------------------------|---|
| | <p>foods and nutrition, including at least one course in diet therapy and one course in community nutrition, plus one of the following four-year degrees: B.S., B.A., or M.S. in Nutritional Sciences, Community Nutrition, Clinical Nutrition, Dietetics, Public Health Nutrition, Home Economics, or other closely-related field; or an individual who has completed an undergraduate curriculum accredited or approved by The American Dietetic Association (registration or current eligibility for registration by the Commission on Dietetic Registration).</p> |
| Obligation | <p>PRIMO Scholars incur one (1) year of obligation for each year they receive PRIMO Student Loan support, with a minimum one (1)-year obligation and a maximum five (5)-year commitment. PRIMO Scholars are obligated to provide full-time clinical primary medical, dental, mental, or nutritional health care services in a DHSS-approved area of defined need in Missouri. Obligation begins no later than six (6) months following the completion date of training.</p> |
| Outpatient Clinical Practice | <p>Outpatient clinical practices are defined for each PRIMO Student Loan discipline. Please see definitions for Primary Behavioral Health Care, Primary Dental Health Care, Primary Medical Health Care, and Primary Nutritional Health Care.</p> |
| Primary Dental Health Care | <p>Primary Dental Health Care Services are defined as the actual hands-on provision of direct outpatient based primary dental and preventive health care services by a licensed general dentist or dental hygienist. These services must be conducted during normally-scheduled clinic hours in an outpatient care setting.</p> |
| Primary Medical Health Care | <p>Primary Medical Health Care Services are defined as the actual hands-on provision of direct outpatient-based primary and preventive health care services by a licensed physician specializing in family practice, general practice, general internal medicine, general obstetrics/gynecology, or general pediatrics. These services must be conducted during normally scheduled clinic hours in an outpatient care setting.</p> |
| Primary Mental Health Care | <p>Primary Mental Health Care Services are defined as the actual hands-on provision of direct outpatient</p> |

based primary mental health care services by a licensed psychiatrist, psychologist, licensed clinical social worker, or licensed professional counselor. These services must be conducted during normally scheduled clinic hours in an outpatient care setting. However, work schedules in state and federal facilities may be significantly different than community-based systems of care. PRIMO Scholars interested in practicing at state and federal facilities need to discuss the details with DHSS.

Primary Nutritional Health Care

Nutritional Health Care Services are defined as the actual hands-on provision of direct outpatient nutritional health care services by a nutritionist or licensed dietitian. These services must be conducted at a Missouri Local Public Health Agency (LPHA) or Missouri Federally Qualified Health Center (FQHC).

PRIMO

Primary Care Resource Initiative for Missouri was designed as coordinated incentives to increase the number of primary medical, dental, and mental health care professionals and health care delivery systems in areas of need within the state. PRIMO has developed a pipeline approach that addresses the needs of students from high school through graduate school, and addresses the needs of communities to build clinics and services to assure the students have a place in their community to practice.

PRIMO Scholar

Participants of the PRIMO Student Loan Program are referred to as PRIMO Scholars.

Psychologist

A psychologist is a practitioner of psychology. The two major categories of psychologists are those who conduct scientific research and those who work in an applied psychology area. Doctoral level trained psychologists are also experts in the administration and interpretation of psychological tests and assessment. Licensing is required to practice as a psychologist in the state of Missouri. Licensure requires passing written and practical examinations in addition to having a degree from an accredited school.

Sliding-Fee Schedule

Sliding fee schedules are locally-derived mechanisms (discounts) to address how to equitably charge

patients for services rendered. The mechanism must be in writing. Fees are set based on federal poverty guidelines; patient eligibility is determined by annual income and family size. Schedules are established and implemented to ensure that a non-discriminatory, uniform, and reasonable charge is consistently and evenly applied, on a routine basis.

Vendor Input Form

PRIMO Scholars must complete the Vendor Input Form to be established as a recipient of state funds.

PRIMO Regulations

19 CSR 10-4.010 Primary Care Resource Initiative for Missouri (PRIMO) Program

(1) The following definitions shall be used in the interpretation and enforcement of this rule:

- (A) Department means the Missouri Department of Health and Senior Services;
- (B) Director means the Director of the Missouri Department of Health and Senior Services;
- (C) Missouri resident means an individual who has lived in this state for any purpose, other than attending an educational institution located within this state, for one (1) or more years before submitting an application for financial assistance from the department;
- (D) Eligible student means a Missouri resident accepted or enrolled in a participating institution in a formal course of instruction leading to a degree, certification, license, or other accepted credential as approved by the department for participation in this program;
- (E) Residency program means the period of education after graduation from an accredited medical school, in which an individual holds a medical degree, and can practice medicine under the supervision of a fully licensed physician, usually in a hospital or clinic.
- (F) Student loan means the financial assistance provided by the Department of Health and Senior Services for professional education that may be forgiven, fully or partially, in return for qualifying employment or through cash repayment;
- (G) Participating institution means an institution in Missouri, which grants degrees, certifications, licenses, or other accepted health professional credentials;
- (H) Primary health care is essential health care made universally accessible to the community. It entails first-contact for comprehensive health care of persons that is longitudinal in nature, and care that includes the coordination of other health services;
- (I) Primary health care provider means a health professional specializing in the provision of medical, dental, behavioral or public health primary and preventive health care services as determined and defined by the department;
- (J) Primary health care services protect and promote the health of defined communities and to address individual and population health disparities. These services entail continuity of care, health promotion and education, and integration of prevention for individual and community health;
- (K) Qualifying employment means employment at a minimum of thirty (30) hours per week in this state, providing primary and preventive health care services in an area of defined need;
- (L) Forgiveness means the monetary reduction of a recipient's financial assistance debt in exchange for qualifying employment in an area of defined need;

- (M) Area of defined need means a geographic area or population designated by the Missouri Department of Health and Senior Services as experiencing a shortage of accessible primary and preventive health care providers;
- (N) Rural area means a town or community within this state, which is not an urbanized area;
- (O) An urbanized area is defined as a central city(ies) and its contiguous, closely settled territory with a combined population of at least fifty thousand (50,000);
- (2) The department in cooperation with appropriate public and nonprofit agencies, institutions and organizations, shall develop and implement a statewide, integrated primary and preventive health care delivery system including the education, recruitment and retention of health care professionals in areas of defined need;
- (A)The department may provide financial assistance to eligible students and residents;
1. Eligible students and residents may apply for financial assistance from the Primary Care Resource Initiative for Missouri (PRIMO) Program, upon acceptance of admission into an approved Missouri institution or residency program;
- The department reserves the right to open financial assistance to health care professional specialties based upon evidence such specialties are necessary for the health of the community;
2. To qualify for assistance the applicant shall have no other conflicting service obligation, with the exception of the National Guard or military reserves;
 3. Recipients must apply for financial assistance annually;
 4. Preference for financial assistance shall be given to:
 - Previous recipients of PRIMO student loans or PRIMO-approved programs;
 - Minority students and students from areas of defined need;
 - Students with an interest in providing primary health care services in areas of defined need; and
 - Resident physicians attending Missouri institutions.
 5. In return for an obligation to provide primary and preventive health care services in an area of defined need, upon completion of their training, eligible students and residents may receive forgivable loans as determined by the department;
- Primary care providers must provide services to underserved populations, report annually on characteristics of clients served and criteria established by the DHSS.
6. The amount of financial assistance provided to students will be based on educational program and academic year;

7. Interest at the rate of nine and one-half percent (9 1/2%) per year from the date of payment issuance shall be charged on all PRIMO loans;
 8. The department may grant a deferral of repayment of principal and interest when deferral is in the best interest of the state and the PRIMO program. Requests for deferral must be made in writing. The request must provide the reason for requesting the deferral, length of deferral time requested, and any other pertinent information. The department will grant deferral requests on a case by case basis;
 9. Interest accrued during a deferral period by a PRIMO recipient may be forgiven on the same basis as the original principal and interest. In some cases, the scholar may be required to repay in cash the interest accrued during the deferral;
 10. Forgiveness of principal and interest for PRIMO recipients engaged in qualified employment shall occur at the rate of twenty percent (20%) per calendar year of the total financial assistance provided through the PRIMO program. If a recipient receives assistance for less than five (5) years, forgiveness shall occur on a year-for-year basis;
 11. Forgiveness and cash repayment periods shall begin no later than six (6) months following the completion of training.
 12. Recipients found to be in default of their contracts shall be allowed a cash repayment period of up to sixty (60) months. The repayment period shall begin the first day of the calendar month following the month the recipient is found to be out of compliance.
 13. Recipients of the PRIMO student loan shall submit to the department verification of their school, residency or employment status, current address, anticipated completion date, and preferred practice site. Failure to submit the information may jeopardize PRIMO recipients from being granted future financial assistance or forgiveness of their obligation.
- (B) The department may facilitate the development of community-based, comprehensive primary health care delivery systems throughout the state.
1. The department may contract with organizations to develop community-based, comprehensive primary health care delivery systems.
 2. Participation will be prioritized according to community health status, extent of community support, and a demonstrated health intervention plan.
 3. Contract amounts will be determined by the:
 - A. Availability of state funds;
 - B. Participant's documented accomplishments and adherence to project activities; and
 - C. Annual detailed report to the department of PRIMO expenditures, and program outcomes or products.

HEALTH PROFESSIONAL STUDENT LOAN CONTRACT

| | | | |
|---|------------------------|-------------------------|---|
| BORROWER'S NAME (LAST, FIRST, MIDDLE INITIAL) | | | <input type="checkbox"/> PRIMO <input type="checkbox"/> PROFESSIONAL AND PRACTICAL NURSE |
| ADDRESS STREET | | | |
| CITY | | STATE | ZIP CODE |
| BIRTHDATE | SOCIAL SECURITY NUMBER | FOR ACADEMIC YEAR TO | |
| LENDING INSTITUTION The Missouri Department of Health and Senior Services; | | | |
| TERMS I agree to pay the State of Missouri, or its authorized agent, the principal sum of _____ dollars (\$ _____), plus interest, in United States currency, upon maturity of this note. | | | |
| INTEREST I hereby agree to pay simple interest on the unpaid loan principal at a rate of nine and one-half (9.5) percent per annum from the issue date of the state check until the principal and accumulated interest are paid. | | | |
| MATURITY This note will mature when the borrower ceases to be an eligible student at a participating school or when the borrower ceases his/her training. | | | |
| FORGIVENESS Borrowers may earn forgiveness by engaging in full-time qualifying employment in an area of defined need in Missouri. Repayment through forgiveness will begin within six (6) months after completion of the borrower's education or primary care training. Forgiveness schedules are determined by the borrower's educational program and the number of loans the borrow has received. | | | |
| ADDITIONAL AGREEMENTS The borrower fully understands and agrees to the following: <ol style="list-style-type: none">1. The borrower will use the proceeds of this loan for educational and related expenses.2. Upon request by the Department or any change in enrollment status, residency plans, practice location, type of practice, name or address the borrower will send written notice to the Department within thirty (30) days.3. The borrower is making a commitment to provide health care services, upon completion of his/her education or primary care training, in an area of defined need as determined by the Missouri Department of Health and Senior Services.4. If the borrower's eligibility status changes (no longer a qualifying student or student in good standing) and the borrower is not providing qualifying services in an area of defined need, repayment of the loan principal and interest will begin within ninety (90) days of the date the borrower ceases to be in qualifying eligibility status. Payment in full will be complete no more than sixty (60) months from that date. | | | |
| CONTINUED ON BACK | | | |

MO 580-1966 (5-05)

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER
services provided on a nondiscriminatory basis

ADDITIONAL AGREEMENTS, CON'T

5. The borrower will submit to the Missouri Department of Health and Senior Services proof of his/her enrollment, program eligibility and academic standing within thirty (30) days of the Department's request and within thirty (30) days of the end of each semester or summer session.
6. Upon completion of the educational program/training and becoming licensed, should the borrower at any time choose not to provide health care services in a defined area of need, repayment of the loan principal and interest become due and owing immediately, and must be repaid within five (5) years of the breach.
7. If the borrower violates any of the provisions of this loan contract or promissory note, including notifying the Missouri Department of Health and Senior Services of changes of address, the Missouri Department of Health and Senior Services may call the note due immediately.
8. When necessary to protect the interest of the state in any loan transaction under the Health Professional Student Loan Program, the Missouri Department of Health and Senior Services may institute any action to recover any amount owed.
9. In the event the borrower is unable to maintain forgiveness status for this loan, and thereby is liable to repay all or a portion of this money to the Missouri Department of Health and Senior Services, he/she agrees to repay any attorney's fees the Department incurs during its collection efforts against the borrower.

REMEDIES

The Department retains all administrative, civil and criminal remedies for breach of this contract by the borrower.

MODIFICATION/EXTENSION

This contract may not be amended or modified without prior written agreement of the parties.

EXECUTION

The parties signed this contract on the dates indicated below.

Exhibit 3: Developing a Sliding Fee Schedule

What is a sliding fee schedule?

Sliding fee schedules are locally derived mechanisms (discounts) to address how to equitably charge patients for services rendered. The mechanism must be in writing. Fees are set based on federal poverty guidelines; patient eligibility is determined by annual income and family size. Schedules are established and implemented to ensure that a non-discriminatory, uniform, and reasonable charge is consistently and evenly applied, on a routine basis. For patients whose income and family size place them below poverty, a "typical" nominal fee is often between \$7 and \$15; patients between 101-200% of poverty are expected to pay some percentage of the full fee. A discounted/sliding fee schedule applies only to amounts assessed to patients. Billing for third party coverage, i.e. Medicare, Medicaid, private insurance carriers, etc., is set at the usual and customary full charge.

Why have sliding fee schedule?

PRIMO Student Loan Program requires a locally determined sliding fee schedule be used, and that services be provided either at no fee or a nominal fee, to be determined by the PRIMO Scholar. The reasonableness of fees, and the percent of a full fee that is assessed, may be subject to approval by DHSS.

To which patients does a sliding fee schedule apply?

As a recipient of the PRIMO Student Loan Program and accepting the requirements to fulfill your obligation, you are agreeing to apply the sliding fee schedule equally, consistently, on a continuous basis, to all recipients of services.

How should a sliding fee schedule be developed?

Each PRIMO Scholar should take the following into consideration when developing a sliding fee schedule:

- Policy must be in writing and non-discriminatory;
- No patient is denied services due to an inability to pay;
- Signage is posted to ensure that patients are aware of availability of sliding fee;
- Patients complete a written application to determine financial eligibility for the sliding fee;
- A patient's privacy is protected;
- Records are kept to account for each visit and corresponding charges (if any);
- Patients below poverty are charged a nominal fee or not charged at all;
- Providers may establish any number of incremental percentages (discount pay class) as they find appropriate between 100-200% of poverty; and
- Patients above 200% of poverty may be charged the full fee for the service(s), or; providers may continue to charge incremental percentages for services when patient income is above 200% of poverty, until 100% of the full fee is reached.

How and when is patient eligibility determined?

The simplest approach is to accept the patient's word at the time the request is made. On future visits, it may be appropriate to require some form of verification. Verification will typically include tax returns and current pay stubs. In addition to annualized income verification, eligibility may be based on current participation in certain federal/state public assistance programs, examples of which include the following:

- Social Security Income (Disability);
- Temporary Assistance for Needy Families;
- Free or Reduced School Lunch Program; and
- Other public assistance programs.

Whose income should be counted?

Many PRIMO Scholars count only the mother, father, and dependent children under 18 as the family. Other adults in the household, even though related, are considered separately.

Is every patient's income reviewed?

This is up to the PRIMO Scholar. Whatever methodology is applied, it must be non-discriminatory, uniform and evenly applied.

How long should discount status be extended?

This is up to the PRIMO Scholar. Many PRIMO Scholars re-evaluate eligibility on an annual or semi-annual basis. As with any registration data, staff should ask at each visit whether anything has changed since the last visit. If income has changed this should trigger a re-evaluation.

**Sample Schedule of Income Thresholds Based upon 2007 Federal Poverty Guidelines
Six Discounted/Sliding Fee Pay Classes**

| Annual Income Thresholds by Sliding Fee Discount Pay Class and % of Poverty | | | | | | |
|--|--------------------|----------------|----------------|----------------|----------------|-----------------|
| Family Unit Size | Minimum Fee | 20% pay | 40% pay | 60% pay | 80% pay | 100% pay |
| Poverty | 100% | 125% | 150% | 175% | 200% | 201% |
| 1 | \$10,210 | 12,763 | 15,315 | 17,868 | 20,420 | 20,421 |
| 2 | 13,690 | 17,113 | 20,535 | 23,958 | 27,380 | 27,381 |
| 3 | 17,170 | 21,463 | 25,755 | 30,048 | 34,340 | 34,341 |
| 4 | 20,650 | 25,813 | 30,975 | 36,138 | 41,300 | 41,301 |
| 5 | 24,130 | 30,163 | 36,195 | 42,228 | 48,260 | 48,261 |
| 6 | 27,610 | 34,513 | 41,415 | 48,318 | 55,220 | 55,221 |
| 7 | 31,090 | 38,863 | 46,635 | 54,408 | 62,180 | 62,181 |
| 8 | 34,570 | 43,213 | 51,855 | 60,498 | 69,140 | 69,141 |
| The co-payment for those below 100% of poverty is \$_____. | | | | | | |

Note: The income ceiling for the minimum fee pay class is equal to the federal poverty level. The 2007 federal poverty guideline increases by \$3,480 for each family member.

| Monthly Income Thresholds by Sliding Fee Discount Pay Class and % of Poverty | | | | | | |
|---|--------------------|----------------|----------------|----------------|----------------|-----------------|
| Family Unit Size | Minimum Fee | 20% pay | 40% pay | 60% pay | 80% pay | 100% pay |
| Poverty | 100% | 125% | 150% | 175% | 200% | 201% |
| 1 | 851 | 1,064 | 1,276 | 1,489 | 1,702 | 1,703 |
| 2 | 1,141 | 1,426 | 1,711 | 1,996 | 2,282 | 2,283 |
| 3 | 1,431 | 1,789 | 2,146 | 2,504 | 2,862 | 2,863 |
| 4 | 1,721 | 2,151 | 2,581 | 3,011 | 3,442 | 3,443 |
| 5 | 2,011 | 2,514 | 3,016 | 3,519 | 4,022 | 4,023 |
| 6 | 2,301 | 2,876 | 3,451 | 4,026 | 4,602 | 4,603 |
| 7 | 2,591 | 3,239 | 3,886 | 4,534 | 5,182 | 5,183 |
| 8 | 2,881 | 3,601 | 4,321 | 5,041 | 5,762 | 5,763 |
| The co-payment for those below 100% of poverty is \$_____. | | | | | | |

Note: The monthly schedule is equal to the annual schedule divided by 12 months.

| 4 | 20,650 | 27,465 | 34,279 | 41,300 | 41,301 |
| 5 | 24,130 | 32,093 | 40,056 | 48,260 | 48,261 |
| 6 | 27,610 | 36,721 | 45,833 | 55,220 | 55,221 |
| 7 | 31,090 | 41,350 | 51,609 | 62,180 | 62,181 |
| 8 | 34,570 | 45,978 | 57,386 | 69,140 | 69,141 |
| The co-payment for those below 100% of poverty is \$_____. | | | | | |

Note: The income ceiling for the minimum fee pay class is equal to the federal poverty level. The 2007 federal poverty guideline increases by \$3,480 for each family member

| Monthly Income Thresholds by Sliding Fee Discount Pay Class and % of Poverty | | | | | |
|---|--------------------|----------------|----------------|----------------|-----------------|
| Family Unit Size | Minimum Fee | 25% pay | 50% pay | 75% pay | 100% pay |
| Poverty | 100% | 133% | 166% | 200% | 201% |
| 1 | 851 | 1,132 | 1,412 | 1,702 | 1,703 |
| 2 | 1,141 | 1,517 | 1,894 | 2,282 | 2,283 |
| 3 | 1,431 | 1,903 | 2,375 | 2,862 | 2,863 |
| 4 | 1,721 | 2,289 | 2,857 | 3,442 | 3,443 |
| 5 | 2,011 | 2,674 | 3,338 | 4,022 | 4,023 |
| 6 | 2,301 | 3,060 | 3,819 | 4,602 | 4,603 |
| 7 | 2,591 | 3,446 | 4,301 | 5,182 | 5,183 |
| 8 | 2,881 | 3,832 | 4,782 | 5,762 | 5,763 |
| The co-payment for those below 100% of poverty is \$_____. | | | | | |

Note: The monthly schedule is equal to the annual schedule divided by 12 months.

SAMPLE POLICY

ABC Clinic Discount Fee Policy

Policy

It is the policy of ABC Healthcare to provide essential services regardless of the patient's ability to pay. Discounts are offered depending upon household income and size. A sliding fee schedule is used to calculate the basic discount and is updated each year using the federal poverty guidelines. Once approved, the discount will be honored for six months, after which the patient must reapply.

Discount Application Process

A completed application including required documentation of the home address, household income, and insurance coverage must be on file and approved by the business office before a discount will be granted. If the applicant appears to be eligible for Medicaid, a written denial of coverage by Medicaid may also be required. Adolescent patients seeking confidential care are exempt from the application process and services are provided at the nominal rate.

Services Covered and Excluded

Medical: The discount is applied to all in-office services and off-site services supplied by ABC Clinic health care providers.

Pharmacy: Samples are provided, when available, without charge.

Lab & X-ray: The discount is applied to in-office laboratory and x-ray services. Reference laboratory tests and consulting radiology interpretations are excluded.

“SAMPLE” HEALTH CENTER

Sliding Fee Application

It is the “Sample” Health Center policy to provide essential services regardless of the patient’s ability to pay. Discounts are offered depending upon family income and size. Please complete the following information and return to the front desk to determine if you or members of your family are eligible for a discount.

The discount will apply to all services received at the center but not those services which are purchased from outside such as reference laboratory testing, drugs, x-ray interpretation by a consulting radiologist, and similar services. In the hope that your economic health improves, discounts apply only to current, not future services. This form must be completed for each visit. Please inquire at the front desk if you have questions.

Number of related persons living in your household:

Total household income: (complete one column):

| Household Member | Household Income (complete one column) | | |
|------------------|--|---------|-----------|
| | Annual | Monthly | Bi-Weekly |
| Self | | | |
| Spouse | | | |
| Relatives | | | |
| Total | | | |

Note: Include income from all related persons in household and income from all sources including gross wages, tips, social security, disability, pensions, annuities, veterans payments, net business or self employment, alimony, child support, military, unemployment, public aid, and other.

I certify that the family size and income information shown above is correct. Copies of tax returns, pay stubs, and other information verifying income may be required before a discount is approved.

FEDERAL POVERTY GUIDELINES

What are the federal poverty guidelines?

The poverty guidelines are a version of the income thresholds used by the Census Bureau to estimate people in poverty. The thresholds are expressed as the annual income levels below which the person or family members are considered in poverty. The income threshold increases by a constant amount for each additional family member. The guidelines are *updated annually* to account for increases in the Consumer Price Index.

Where can you get the current poverty guidelines?

The guidelines are published annually in the Federal Register and usually appear by early February. Updates may be found at <http://aspe.hhs.gov/poverty/>.

2007 HHS Poverty Guidelines

| Persons in Family or Household | 48 Contiguous States and D.C. | Alaska | Hawaii |
|---------------------------------------|--|---------------|---------------|
| 1 | \$10,210 | \$12,770 | 11,750 |
| 2 | 13,690 | 17,120 | 15,750 |
| 3 | 17,170 | 21,470 | 19,750 |
| 4 | 20,650 | 25,820 | 23,750 |
| 5 | 24,130 | 30,170 | 27,750 |
| 6 | 27,610 | 34,520 | 31,750 |
| 7 | 31,090 | 38,870 | 35,750 |
| 8 | 34,570 | 43,220 | 39,750 |
| For each additional person, add | 3,480 | 4,350 | 4,000 |

PUBLIC NOTICE SIGNAGE

The following examples show it is not required that a posting give all the details about the sliding fee policy, nor is it required to post the actual sliding fee schedule. It is recommended that the sign be posted in a conspicuous location such as beside the front desk. It may be helpful to have the sign in several languages.

Sample Discount Fee Policy Signs (Words to this effect are okay)

Notice to Patients:

This practice serves all patients regardless of ability to pay. Discounts for essential services are offered depending upon family size and income. You may apply for a discount at the front desk.

ESTE CENTRO DE SALUD ATENDERA A TODOS LOS
PACIENTES, SIN IMPORTAR SU CAPACIDAD DE PAGO.
LOS DESCUENTO POR SERVICIOS ESENCIALES VARIARAN
Y SON OFRECIDOS DEPENDIENDO DEL NUMERO DE SUS
FAMILIARES Y DE SU SUELDO. USTED PODRA APLICAR
PARA EL DESCUENTO CON LA RECEPCIONISTA EN EL
ESCRITORIO DEL FRENTE DE LA CLINICA. GRACIAS.**

SAMPLE NOTICE

THIS PRACTICE HAS ADOPTED THE FOLLOWING POLICIES FOR CHARGES FOR HEALTH CARE SERVICES

We will charge persons receiving health services at the usual and customary rate prevailing in this area. Health services will be provided at no charge, or at a reduced charge, to persons unable to pay for services. In addition, persons will be charged for services to the extent that payment will be made by a third party authorized or under legal obligation to pay the charges.

We will not discriminate against any person receiving health services because of their inability to pay for services, or because payment for the health services will be made under Medicare or Medicaid. We will accept assignment under the Social Security Act for all services for which payment may be made under Medicare. We have an agreement with the State of Missouri, which administers the State plan for medical assistance under Medicaid to provide services to persons entitled to medical assistance under the plan.
